**Blue Book Private Party Value**

Private Party Value is what a buyer can expect to pay when buying a used car from a private party. The Private Party Value assumes the vehicle is sold "As Is" and carries no warranty (other than the continuing factory warranty). The final sale price may vary depending on the vehicle's actual condition and local market conditions. This value may also be used to derive Fair Market Value for insurance and vehicle donation purposes.

**Vehicle Condition Ratings**

[Check Vehicle Title History](#)

**Excellent**

**\$5,470**

- Looks new, is in excellent mechanical condition and needs no reconditioning.
- Never had any paint or body work and is free of rust.
- Clean title history and will pass a smog and safety inspection.
- Engine compartment is clean, with no fluid leaks and is free of any wear or visible defects.
- Complete and verifiable service records.

Less than 5% of all used vehicles fall into this category.

**Good**

**\$5,020**

- Free of any major defects.
- Clean title history, the paints, body, and interior have only minor (if any) blemishes, and there are no major mechanical problems.
- Little or no rust on this vehicle.
- Tires match and have substantial tread wear left.
- A "good" vehicle will need some reconditioning to be sold at retail.

Most consumer owned vehicles fall into this category.

**Fair**

**\$4,495**

- Some mechanical or cosmetic defects and needs servicing but is still in reasonable running condition.
- Clean title history, the paint, body and/or interior need work performed by a professional.
- Tires may need to be replaced.
- There may be some repairable rust damage.

**Poor**

**N/A**

- Severe mechanical and/or cosmetic defects and is in poor running

condition.

- May have problems that cannot be readily fixed such as a damaged frame or a rusted-through body.
- Branded title (salvage, flood, etc.) or unsubstantiated mileage.

Kelley Blue Book does not attempt to report a value on a "poor" vehicle because the value of these vehicles varies greatly. A vehicle in poor condition may require an independent appraisal to determine its value.
